

2009 ARRC Club Information and Membership Application

Anderson Road Runners Club

The Anderson Road Runners Club promotes fitness through the enjoyment of running and walking. We have programs and events for all levels and all ages, including a weekly children's series and cross country training for elementary through high school youth. The Club meets informally during the winter months and weekly during April through October for organized running and walking events, including two major races. A newsletter, THE PACER, will be e-mailed (must provide e-mail address). For those who do not have an e-mail address, arrangements will be made. All adult members are automatically enrolled at no additional cost as members of Road Runners Club of America, of which we are a Chapter.

Our website address is www.andersonroadrunners.org

Club Membership Application Waiver

I know that running, walking, and volunteering in club races are potentially hazardous activities. I should not enter and run or walk in club activities unless I am properly trained. I agree to abide by any decision of a race official relative to my ability to safely complete the run or walk. I assume all risks associated with running, walking and volunteering to work in club races including, but not limited to, falls, contact with other participants, the effects of weather, including high heat and/or humidity, the conditions of the road and traffic on the course, all such risks being known and appreciated by me. I, for myself and anyone entitled to act on my behalf, waive and release the Road Runners Club of America, the Anderson (Indiana) Road Runners Club and all sponsors, their representatives, and successors from all claims and liabilities of any kind arising out of my participation in these club activities even though that liability may arise from negligence or carelessness on the part of the persons named in the waiver.
