

The Miriam Project is a Christian adoption agency that provides a full range of adoptive services to both birth families as well as adoptive families. We at Madison Park Church of God believe that all children are treasured by God and it is our privilege to help children find loving, Christ-centered homes to thrive in. Our ministry was established to offer comfort and guidance to both expectant mothers and families who are willing to open their homes and hearts to God's children. Our mission includes the emotional, financial and spiritual support of the birth families and is meant to be an on-going relationship. As a non-profit ministry, financial support is always appreciated to allow for a low-cost option for adoptive families. There is no cost for mothers who have no where else to turn.
