If you are looking for a truly special run/walk for your vacation in paradise, look no further - Sombrero Beach Run has it all: a 10K Run, 5K Run and a 5K Walk. Kick off Friday night with a pre-registration party poolside at one of Marathon’s charming resorts. Race day - be swept away with entertainment by D.J. Tito and the EMJ Boys, runners’ breakfast (bagels, fruit and pastry), after-race carbs (grilled sausages and hot dogs), drinks, and ice cold beer - all at the spectacular setting of Sombrero Beach. The local businesses and restaurants go all out providing loads of raffles and trophies for our runners. After the race, enjoy a swim in the warm waters of the Florida Straits or just relax on the beach. Come see for yourself why this is the #1 event in the Florida Keys.

Plan to stay for the whole weekend – other events will be held on Saturday and Sunday in the area, and local restaurants and lodgings will offer discount to Sombrero Beach Runners.

100% of the proceeds of this race go to KAIR. KAIR is our middle Keys food pantry and social service agency seeking to serve those individuals and families who have found themselves in crisis.
